Records Management and Retention Policy + Appendices

Approval Date:	March 2024
Review Date:	March 2027

INTRODUCTION

1. Queens Park C.E./U.R.C. Primary School ("the School" / "we" / "us") processes a significant amount of personal information about its pupils, parents, staff, volunteers and other individuals that we come into contact with. This can include sensitive information ("Special Category Data").
2. The UK General Data Protection Regulation (the retained EU law version of the General Data Protection Regulation (EU) 2016/679) ("GDPR") requires that we keep personal information for no longer than it is necessary for the purposes that it was processed. This is known as the principle of 'Storage Limitation'. This Policy has been implemented to ensure that we meet this important requirement.
3. This procedure applies to all School staff, governors, volunteers and contractors.

THE IMPORTANCE OF STORAGE LIMITATION

4. It is important to understand why we must not keep personal information for longer than is necessary.
5. Where the School holds personal information, it will always do so for a purpose that is necessary for it to function effectively. Once it becomes unnecessary to hold personal information, it creates risks that the data will become irrelevant, excessive or inaccurate. This can create risks to individuals because using their data could have negative consequences for them. Holding information for longer than necessary can also create operational inefficiencies for the School, for example, unnecessary costs associated with storage and security of data, or increased time spent responding to subject access requests due to the time spent reviewing records unnecessarily.
6. When this policy operates correctly, the School will be meeting its legal obligations under the UK GDPR, but also operating efficiently.

THE PROCEDURE

7. Our Procedure is designed to be user friendly and easy to follow. There are 3 specific stages which are as follows:
 - A. Review
 - B. Destruction

8. Each step is set out below.

A. REVIEW

Retention Periods

9. Review both manual and electronic records, and determine whether they have met the date for destruction set out in the **Retention Schedule at Appendix A**. The purpose of the Retention Schedule is to set out how long we will hold different categories of personal information for before it can be destroyed.

10. There is little use in having a Retention Schedule if no steps are taken to review these data sets, and to destroy those that have reached or surpassed the stated retention date. Our Policy is that we will carry out a review of records annually. We have determined this review period based on our available resources and taking into account privacy risks to individuals.

11. Accordingly, on an annual basis, the School will review the records that it holds against the Retention Schedule. The Principal will delegate this task to an individual and/or team. The Headteacher may delegate different parts of the Retention Schedule to the most appropriate individual(s) for review e.g. the SENCo may be best placed to review SEN records, the DSL may be best placed to review safeguarding records.

B. DESTRUCTION

12. Where it is determined that a particular data set is “no longer necessary”, then it must be deleted or destroyed in accordance with the guidelines below:

(a) **Hard copy records** – Shredded or placed in approved confidential waste bins. No other form of destruction should be used without first obtaining approval from The Headteacher.

(b) **Electronic records** – Irretrievably delete records from systems where it is possible to do so. Where it is not possible to irretrievably delete records, for example, because deleting a particular set of personal information will result in other personal information that remains necessary also being deleted, this personal information must be 'put beyond use'. This means that the School:

(a) will be unable, or will not attempt, to use the personal data to inform any decision in respect of any individual or in a manner that affects the individual in any way;

(b) does not give any other organisation access to the personal data;

(c) surrounds the personal data with appropriate technical and organisational security; and

(d) commits to permanent deletion of the information if, or when, this becomes possible.

13. A record of the records deleted should be entered into the destruction log, a copy of which can be found at **Appendix B**.

					retained for the statutory retention period. If the pupil transfers to an independent school, transfers to home schooling or leaves the country, the file should be returned to the LA to be retained for the statutory retention period. Primary schools do not ordinarily have sufficient storage space to store records for pupils who have not transferred in the normal way. It makes more sense to transfer the record to the LA, as it is more likely that the pupil will request the record from the LA.

6.1.1	Parental consent forms for school trips where there has been no major incident	Yes		Conclusion of the trip	Although the consent forms could be retained for date of birth + 25 years, the requirement for them being needed is low and most schools do not have the storage capacity to retain every single consent form issued by the school for this period of time
6.1.2	Parental permission slips for school trips – where there has been a major incident	Yes	Limitation Act 1980 (section 2)	Date of birth of the pupil involved in the incident + 25 years.
