## Hope

For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future.

Jeremiah 29:11

### Dear Parents,

The penultimate week before the summer holidays is here. I can't believe we only have 5 more school days before we finish. We are still busy working in school—we are not finished yet. The children are getting through their SRE curriculum this week with more to continue next week.

### End of Year Reports

Today, you will have received your child's end of year report. You will also receive your child's end of year attendance report. There is an opportunity for you to respond to the report and return your comments to school. We also provide a chance to discuss the content of the report with your child's class teacher at a mutual convenient time. Please contact your child's class teacher if you need to discuss the report any further.

### Lost Property

As we come to the end of the year, the lost property bin at the front of school is over-flowing. Please come and have a look through. There are lots of expensive coats with no names on them. I will be clearing the boxes over the summer and putting the contents in our pre-loved stock. Please come and check!

### Kumon Tutoring

You will have received a leaflet tonight in your child's book bag. Over the last few years, we have been able to offer additional tutoring as the Government funded tutoring post COVID. Unfortunately, this funding has stopped so we will only be able to offer limited tutoring slots going forward. Kumon is a company run by one of our parents and I know used by some of our families. There is a number for more information on the leaflet. Any question, let me know and I will do my best to find out the answer. Thank you also to Orla's mum for the kind donation of free tuition as one of our raffle prizes.

### Music Extravaganza

What a musical week we have had. It started last Friday with our Summer Concert—celebrating all our talented musicians in school. Our 'Rockstars' from Rock Steady entertained us on Tuesday with their talents and then we ended with our Queen's Park Band performing at the Town Hall. What a fantastic celebration of music! Thank you to Mr Houltram who pulls all these wonderful experiences together for our children.

### Year Six

Year Six have been working really hard on their production and we are looking forward to the show on Tuesday at 5pm.

### Goodbye and Good luck

Next Friday, Mrs Ellison and Miss McMuldloch will be leaving up to take up new roles. Miss McMuldloch has been fantastic in year two covering for Mrs Clarke. She has been an asset to our school and we are going to miss her. Mrs Ellison is an long standing member of our support team. She has supported so many children over her 17 years at Queen's Park. She has also been an asset to our school and she will be missed by everyone. We wish them both the best of luck in their new roles.
