Message from Mrs Kellett

Happy New Year to you all! I hope 2025 brings health and happiness to all our school community. 2025 has certainly had an eventful start! What a week it has been. I just want to thank you all for your diligence and patience getting your children into school this week. I completely appreciate it has been challenging. I want to say an extra special thank you to Miss Drury. She has worked like a Trojan this week. She has been in school at 5:30am shovelling and gritting our school site to try and make it as safe as possible. We are so lucky to have her and we are all so grateful.

We had a wonderful time in the snow on Monday but have been unable to get outside again all week. The children have been amazing and so sensible! Fingers crossed we will be back to normal on Monday and the field will be re-opened. Please send in a warm winter coat and if they have taken home their wellies, please return them to school.

SEND in the Spotlight

At Queen's Park Primary School, we have a dedicated pastoral and SEND team to support any children who require additional support either academically, socially or emotionally. We also work closely with our parents/carers to offer support with managing behaviour, support anxiety and support in the home. We have an open door policy and if we aren't available to speak to you at the time you contact, one of the team will always give you a phone call back as soon as possible.

In the Navy!

Year Six had some very special visitors this week. In PHSE, we are looking at 'Dreams and Goals' so I invited the Navy in to come and speak to the children. Y6 absolutely loved it. They asked lots of sensible questions and learned all about what the Navy does for our country. They finished off the session by making flares and setting them off on the playground. It was a really amazing experience for our children.
