Anti-Bullying Policy
Our Intent

We have written this policy to prevent and stop bullying at our school. We believe that all children are made in the image of God and are unconditionally loved by God. Everyone is equal and we treat each other with dignity and respect.

As school council members, we want our children to achieve and to enjoy school. We do not tolerate bullying.

- To completely stop all types of bullying behavior in our school.
- To make sure all our friends are safe, feel welcome and feel secure.
- To have all adults care, support and stop bullying.
- Trustworthy staff to listen to bullying concerns and investigate possible incidents.
- Bullies to have consequences for their actions.
